# Director's Message

**“Educating the mind without Educating the Heart is no Education at all.”  
– Aristotle**

Over more than half a century the Delhi Public School has established a commendable record of quality and accomplishment. In less than five years since our inception, DPS Sonebhadra has built on this proud legacy and at the same time taken advantage of the opportunity to innovate and bring a unique perspective to all our activities.

With a very firm belief in these words, we infer that science shows teaching skills such as empathy, compassion, altruism, and kindness helps children be successful later on in life so we strive to create a milieu where children feel comfortable and connected to others and have an opportunity to practice social and emotional skills.

We here, at Delhi Public Secondary School Sonebhadra, believe in providing a balanced technology based education with the finest infrastructural facilities, where children attain a deeper understanding of the curriculum and the management and staff are committed to provide a pre-eminent academic realm for the students to thrive in.

We invite you to explore our Institute and look forward to answering any questions or comments you may have.

Sincerely

**Mr. Santosh Verma**  
Director

# Principal's Message

**“The Highest Education is that which does not merely give us information but makes our life in harmony with all existence.”-**

**Rabindranath Tagore**

At DPS School Sonebhadra, We value individualism, creativity and innovation and strive to nurture them in our students. The perpetual energy, movement & enthusiasm permeate the atmosphere at DPS..

The School's genuine concern ensures student's emotional growth along with intellectual excellence. This empowers them to develop their self-esteem, self-awareness and self-confidence. Sharing ideas, analyzing situations and expressing them confidently are essential skills which are honed here, through Experiential Learning.

While studying at the school, the students are groomed to become confident, articulate and enlightened young citizen, ready to step into global society with dignity and integrity..

We believe in giving our students strong values along with a set of wings which may carry them far and wide. In other words, our students are equipped to face the challenges of the rapidly changing world. Faculty members of DPS Sonebhadra are very experienced and play a very wide role in building up high values in children.

Our pedagogy is child – centric with emphasis on inquiry and project-based learning. We treasure dynamism and deem that one should be well prepared to adapt to the global scenario and work on his learning accordingly.

**Besides rigorous scholastic programmes, we seek to develop and nurture the different facets of a child. From academic to dance, music and a variety of sports, we focus on developing both, the mental and the physical abilities of a student. This results in the form of success. The activities provide holistic grooming to the student wherein the child is able to explore his true potential. Besides the usual procedural teaching, we persistently upgrade and update our teaching tools and techniques. From interactive teaching methods to a healthy teacher student relationship, we work around making studies as effortless as possible.**

Today's India is an empowered, enlightened and enterprising nation. We wish to make it even more powerful with conscientious, smart and confident citizens who would make us proud of their multifaceted growth.

Sincerely

**Mr. Alok Singh**  
Principal

Ralph waldo Emerson Said' 'the man who can make things easy is the Educator' thus, the teacher hear are competent and teach beyond the books infusing knowledge with technology igniting curiosity to develop the required skills our teaching methodology, discipline and administration are appreciated by the parents which is a testimony of our future potential.

# Curriculum

## Pre- Primary

The pre-primary wing of the school comprised classes playground, LKG and UKG catering the needs and demands of early childhood learning. bearing in mind that at this age the foundation of a child's personality is laid and two third of his intellect is formed. we have created an environments and a system of teaching which is entirely child friendly where child enjoy joy of learning social skills, develop verbal ability and motor skills through art & craft, formal learning of the three R's which is an integral part of our open-ended curriculum. Our open ended curriculum sensitise our children to social and cultural concerns and encourage to think, reflect on issues and arrive at their own solutions to enable them to communicate effectively and to develop the integrated skills and creativity required for them to grow as confident and independent individuals.

## Primary

The syllabus becomes morn broad based at this level and gradually the young learner is exposed to a wide range of subject and study materials as per the new CBSE guidelines. Apart from Maths , English, Hindi, Sanskrit, E.V.S. Computer Science, emphasis is also laid on visual and performing arts, value education and General Knowledge, A plethora of choices is given to the students for their life Skills and work Experience classes ranging from shooting, archery, swimming, robotics public speaking clay modeling etc. to name a few. the teaching of all the subjects is done using the multimedia teaching aids making learning a joyful experience.

## Class-VI-IX

As per NCERT guidelines the school provides ICT enabled teaching - learning process to empower the students to visualize beyond their books. apart from sanskrit as the third, language we offer english, Hindi, Maths, Science, Social Science, Computer Science, Physical & Health Education work experience and Life Skills. guides in learning by empower the students to share their thoughts

## Senior Secondary

At this stage students get more opportunity to explore their knowledge in every aspects. School provide both scholastic as well co-scholastic areas school provide subject like Biology, Chemistry, Physics, Computer Science, fine Arts, Political Science, Geography, History, Business Studies, Accountancy and related subjects help in joining underspending about enery aspects.
